1. _____ I understand that cheerleading is a sanctioned sport in Utah and that I cannot compete with an All-Star gym during the CC Cheer competition season. This is a UHSAA rule and will result in disqualification for the team. UHSAA MAY allow event exceptions. If so, I will not exceed those event exception limitations.
2. _____ I understand that high school cheer must always be my first priority and that I may sometimes have to miss All-Star practices and/or competitions in order to attend scheduled high school events.
3. _____ I understand that I will be required to compete on either the Silver (Varsity) or Navy (JV) competition teams for the Corner Canyon Cheer squad for the 2024-2025 competition season, and that I will be required to attend all competition practices, competitions, and events.
4. _____ I understand that I will not be allowed to miss any scheduled competitions, games, or events for the Corner Canyon Cheer squad in order to attend or travel to All-Star competitions on the same dates as scheduled Corner Canyon events.
5. _____ I understand that I will only be allotted the same number of absences and tardies as other members of the Corner Canyon cheer squad and that exceeding these amounts can result in my removal from the CCHS cheer squad.

Please keep in mind that we strongly encourage all of our athletes to choose either High School or All-Star cheer, as the time commitment for both combined is extremely large and many conflicts arise with scheduling, especially during competition season. With us being sanctioned, you also cannot compete with an All-Star team during our competition season. Though we cannot require you to choose one or the other, it works out better for both your All-Star and High School teams and is less strenuous on you if you pick one or the other. Please take this advice into consideration as you are making your decision. If you choose to cross-compete, you will be held to this contract and will be expected to make high school cheer your first priority in all situations.
