1. _____ I understand that the silver competition team is a high-level elite competitive team and as such it requires more time, dedication, and commitment than a regular high school competition team. I agree to put in the extra time and commitment required to compete at a high level, and promise to always give my best to the team.
2. _____ I understand that I will be required to attend ALL silver team practices, camps, and events, and that missing more than the allowed number of practices/events could result in my removal from the team.
3. _____ I understand that I will not be allowed to miss any scheduled competitions that the silver team is competing at for any reason. Doing so will result in immediate dismissal from the silver team.
4. _____ I understand that 3 absences from silver team practices and events will result in my being on probation, and that 6 absences from silver team practices/events will lead to my dismissal from the silver team.
5. _____ I understand that being a member of the silver team will require a trip to Florida to the National High School Cheerleading Championships in addition to camps and other extra competition costs. I agree to fundraise and/or cover the additional competition expenses.
6. _____ I understand that being a member of the silver team will also require my attendance at a separate "silver team" camp in addition to the regular cheer camp already scheduled during summer break. The focus of this camp will be the competition routine for this season. The camp will take place during a regularly scheduled week of cheer practice, and will not cut into vacation time.
7. _____ I understand that being tardy to any silver practice, competition, or event will result in conditioning and points off of my cheer grade.
8. _____ I understand that being a member of the silver team requires me to attend outside tumbling lessons throughout the summer and school year. This outside tumbling can consist of private tumbling lessons or a tumbling class. I also understand that I will be expected to show improvement in my tumbling throughout the season.
9. _____ If I am a returner to the silver team, I understand that I will be required to have a better standing and running tumbling pass than I competed with the previous season. I understand that I should always be working hard to improve my stunting and tumbling skill levels and ability.
10. _____ I understand that my spot on the silver competition team is never guaranteed, and that I must work to maintain my spot and position every single day. I also understand that I can be removed from the silver team at any time during the season at the coaches discretion.

If you understand and agree to all of the conditions explained above, please sign below. We are excited to have you as a potential member of the silver competition team for the 2022-2023 season!
